OBJECTIVE

To obtain a Full Stack Developer position where I can apply my knowledge of Java, PHP, MySQL, and web technologies to develop efficient and user-friendly applications while continuously learning and growing with the organization.

ACADEMIC BACKGROUND

DHIRAJLAL GANDHI COLLEGE OF TECHNOLOGY 2022-2026

- Bachelor of Technology CGPA: 8.2/10.0

LITTLE FLOWER HIGHER SECONDARY SCHOOL 2021-2022

- Higher Secondary Certificate 65%

VETRI VIKAS HIGHER SECONDARY SCHOOL 2019-2020

- Secondary School Leaving Certificate 97%

PROJECT

Meeting Summarization Notes (AI, NLP):

Built an AI system that summarizes meeting transcripts into concise notes using NLP and text summarization techniques.

CRUD Application (PHP + MySQL):

Developed a full-stack web app with database integration to perform Create, Read, Update, and Delete operations.

Online Food Ordering System (Firebase,Emailjs):

Designed a responsive website with restaurant pages, dynamic menus, search, and billing interface.

Spam Detection (ML, NLP):

Implemented a machine learning model to classify messages as spam or ham using text preprocessing and TF-IDF.

INTERNSHIP

Web Development Intern | Imagecon Academy

- Built responsive web pages and an Online Food Ordering System using HTML, CSS, and JavaScript, focusing on design, interactivity, and user experience.

Machine Learning Intern | Apex Seekers EduTech Private Limited

- Completed an internship developing ML models using Python, Pandas, and Scikit-learn, with hands-on experience in data preprocessing, training, and evaluation.

TECHNICAL SKILLS

- Programming :** Python , java
- DataBase:** Mysql
- Frontend:** HTML ,CSS ,JS
- Backend:** PHP
- Machine Learning Libraries & Tools:** scikit-learn , TensorFlow , Pandas , Numpy ,Matplotlib
- Developer Tools :** VS Code , Jupyter Notebook , Sublime Text , Firebase, Emailjs

SOFT SKILL

- Willingness to Learn & Adapt
- Team Collaboration
- Time Management
- Communication Skills
- Self-Motivated and Goal-Oriented

INDUSTRY CERTIFICATIONS

- SHIVASHRI ACADEMY** -Web Application Certificate
- IMAGECON** -Web Development Internship Certificate
- SHIVASHRI ACADEMY** -Core JAVA with MYSQL Certificate
- GOOGLE** -Data Analytics certificate
- ORACLE** -oracle cloud infrastructure certificate
